Clerk's Office
Merrill, WI 54452

Dear Ms. Fischer:

Thank you for forwarding a copy of your ordinance adopting the Uniform Dwelling Code, which appears to be fully acceptable.

Enclosed is a copy of the UDC Materials Order form which should be used to purchase Building Permit seals. Each new dwelling will require a seal. Along with each seal, we will send a complete set of administrative forms necessary for a new dwelling. You may wish to purchase one or more seals to have on hand for new homes in your township.

Additional administrative procedures would be performed by your state-certified inspector.

Feel free to contact me if you have any further questions.

Sincerely,

Tom Kasper
